the process of through

Robert Dahl

The control between right to vote and participate.

[Regime] set of rules that state establish to control the country

Regime

- Non democratic
- Democratic

Hybrid Regime

where Robert Dahl said how to view democracy and problems of democracy.

⇒ Government to continue for over a period of time to responsive on citizen. Consider as political equals on citizens have unempined opportunity.

- ⇒ Formulate preferences (Citizens right)
- ⇒ Significance
- ⇒ Equally distribute

Freedom of talk,
Freedom of buy

to become ~~deep~~ democratic these segment has to fulfilled.

~~Competitive~~ Oligarchy: the rich people controls the country.

3 Feature of Democracy

- # Participation
- # Liberty
- # Competition

} without these building democracy.

democratization but at the same time rise of competitive authoritarianism.

↳ dictatorship or through corrupt rule

3rd part of the article Democracy is not

1) shift 2nd, that shifting is called democratization
[countries should adopting democracy is important]

⇒ why ~~democracy~~ democratization is important?
⇒ what benefit democracy has brought to the country?

liberalization } introduced
inclusiveness }

3rd part democratization into full democracy
to with 1st 2, some stop between
that make hybrid democracy.

⇒ Elections with democracy.

Modern democratic regimes need down Criteria:

⇒ Executive and legislature are chosen through election that are open free and fair (participation)

⇒ All Adults has right to vote (liberty)

⇒ Civil ⇒ Freedom of press
" " association
to criticize govt.
without any reprisal.

(liberty)

⇒ elected authorities possess real authority to govern (participation)

255 Democracy (or Representative Democracy)

Art 25, Citizen elect one representative who are supposed to make an Executive (body known as PM 25)

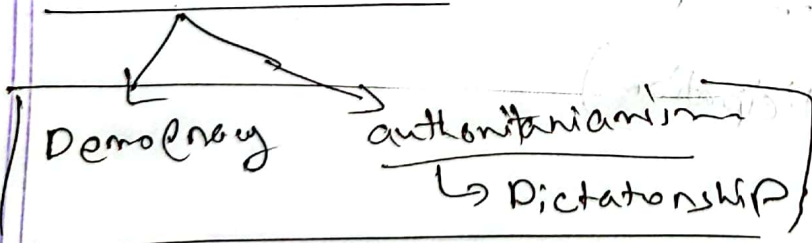

Direct Democracy: leader themselves as an executive.

member of parliament (350)

→ PM

Democracy (or minority votes matter, 255
